 THURS-SAT 9 A.M.-5 P.M.

Luke Adams, Robert Adams, Anne Macon Adams, Ella Cate Cooper, Caroline Cooper, Emily Austin Wiatt and Courtney Singleton hosted a lemonade stand during the 4th of July weekend. They raised over \$300 that will go for research for pediatric brain cancer research. The Adams family lost a cousin in 2007 to this disease. The Make-a-Stand has been a nationwide event this summer. They held their stand in Trillium for two afternoons. This wasn't the typical Fourth weekend for these kids because they were selling lemonade instead of playing in the water!
